PROFESSIONAL SUMMARY

Aspiring Data Analyst and Software Engineer currently pursuing a B.A. in Math and Computer Science at CU Boulder. I am passionate about computational science and software development, with a strong foundation in high-level mathematics and mathematical proof writing. Eager to leverage my analytical skills and technical knowledge in a professional internship setting.

EDUCATION

University of Colorado Boulder, College of Engineering and Applied Science

B.A. in Mathematics and Computer Science, Minor in Philosophy, GPA: 3.4

Relevant Coursework:

- Mathematics: Multivariable Calculus, Discrete Mathematics, Linear Algebra, Real Analysis, Differential Equations
 - Computer Science: Computer Systems, Data Structures, Algorithms
-

PROFESSIONAL EXPERIENCE

Starbucks

Barista, Boulder, CO | September 2021 – Present

- Crafted and served beverages promptly, ensuring customer satisfaction.
- Collaborated effectively with team members to optimize service efficiency.
- Developed strong problem-solving skills through direct interactions with customers/staff.

King Soopers

Courtesy Clerk, Boulder, CO | September 2019 – September 2021

- Enhanced customer experiences by providing exceptional service.
 - Led e-commerce initiatives through effective communication and teamwork.
 - Managed product organization and inventory to maintain store standards.
-

SKILLS

- **Technical Proficiencies:** C, C++, Python, X86 Assembly, HTML, CSS, Object-Oriented Programming
 - **Mathematical Expertise:** Calculus, Linear Algebra, Discrete Mathematics, Real Analysis, Differential Equations
 - **Languages:** Fluent in English, Proficient in Russian
-

INTERESTS

- Bodybuilding
 - Exploring ancient philosophy through literature
 - Investigative journalism
-

Feel free to reach out for any internship opportunities in data analysis or software engineering!
